Brain and Spine Surgeon

Daniel Fahim, M.D., performs every kind of surgery on the spine, from the most complex tumor resections and reconstructions to the smallest outpatient minimally invasive fusions and surgeries. Dr. Fahim's expertise is in the treatment of brain and spine tumors. He serves as the Director of the Brain and Spine Tumor Program at Beaumont Hospital in Royal Oak.

Dr. Fahim is an Associate Professor of Neurosurgery at Oakland University William Beaumont School of Medicine, Associate Program Director of the Beaumont Health Neurosurgery Residency, and is an award-winning researcher with over 40 peer-reviewed journal publications and book chapters. He teaches minimally invasive techniques to neurosurgeons across the country, teaches

medical students and residents daily, and has presented his research nationally and internationally.

HOUR Detroit magazine has honored Dr. Fahim in their TOP DOCS publication over the last 8 years.

Dr. Fahim is a partner with Michigan Head and Spine Institute, the largest neurosurgical practice in Southeastern Michigan. Dr. Fahim sees patients at their Royal Oak and Novi offices. To schedule an appointment, call 248-784-3667. ■
